## Refugee Services of Texas, Inc.

resettles refugees in the Austin area as part of a partnership of federal government, community, and various church denominations. We need the assistance of local churches to provide some of the basic necessities to furnish an apartment for a refugee family that has had to flee its country due to religious, political or social persecution and is making a new life in America.

You can help by picking and purchasing an item and then praying for the refugees who will receive and use it.

*Gently used items in good, working order are acceptable if clean and sanitary.*

*Please check with the agency before donating clothing and books.*
